STARVING TO SERVE

NORTH COAST CHURCH

Dear Parent/Guardian,

Your son or daughter has shown interest in participating in Starving 2 Serve. They are to go without any solid food for 30 hours from 6pm on Thursday, March 15th, to Midnight on Saturday morning, March 17th.

Participation means your child will:

1. Find Starving 2 Serve sponsors and collect money to help support Outside the Bowl and Weekend of Service. Outside the Bowl builds Super Kitchens in third world countries and fights to end physical and spiritual starvation. Weekend of Service happens every two years when North Coast Church cancels weekend services to do hundreds of service projects across North County San Diego.

2. Miss three main meals (breakfast, lunch, and dinner on Friday).

3. Drink only water and juice during those 30 hours.

4. Bring money raised and cash receipts to the Starving 2 Serve Celebration held at North Coast Church's Vista campus. All those participating in Starving 2 Serve are invited to this overnight event from March 16th at 6pm to March 17h at 8am.

Before I issue a Sponsor Packet to your junior higher, I would like your acknowledgment that you have no objections to such participation. You can find out more information at JH78.com.

Thank You,

Travis Sybert
